Our Funeral Promise...

At this difficult time our aim is to offer help and reliability combined with expert hospitality to make the day a little easier for you

Catering For You

We specialise in buffet style catering. All of our pubs operate a Traditional British Carvery, alongside our fresh, Salad Bar and seasonal vegetable selection. The majority of our menu is served from our carvery so we are more than used to catering for parties in a buffet style operation. We are a family run business, where attention to detail and that 'personal touch' are paramount to delivering the exceptional standards that our customers have come to expect from us

Our professional team are on hand to cater to all of your requirements and to make things as easy as possible for you. We will sort everything for you from the organisation and everything on the day. Each pub has a different layout but all have certain areas that lend themselves to a small party which can be sectioned off for your privacy. We do not charge room hire at any of our pubs.

£9.75 Carvery

Choose from our hand carved roasts of the day and special 'dish of the day'.

Our hot carvery barms are available at the carvery, just ask for a fresh buttered barm instead of a Yorkshire Pudding. Then help yourself to our selection of ten hot vegetables and potatoes, plentiful international salad bar and selection of sauces.

If any of your guests would prefer a cold sandwich, salad platter or vegetarian meal then these are also available at the same price per person. Guests are asked to make their carver aware on ordering at the carvery.

Other things to consider...

Drinks on arrival

Depending on the pubs' layout we can either waiter serve or come to the bar to allow your guests a drink on arrival, this can easily be itemised on your food bill should you wish. Wine can be ready at your table to ease congestion at the bar on arrival, which can be especially helpful if more than 30 guests attend.

Desserts

We have a wide selection of tempting desserts available daily.

Tea and Coffee

For larger parties we can offer filter coffee and tea at £9.95 per jug or for smaller groups we can offer our full list of speciality coffees.
